The ECB selected external service providers to support the ECB upon specific request with tasks related to project management, quality assurance on asset quality reviews, stress-testing, and the provision of non-

statutory audit services. The scope of the services to be provided is divided into 4 different lots. With regard to the services of lot 2 (quality assurance on asset quality reviews) the ECB contracted external service providers that have at their disposal a pool of professionals who collectively possess in-depth knowledge and experience in order to support the ECB in the field of quality assurance on asset quality reviews, in particular with regard to the review of compliance with the prudential rules and accounting principles in the areas of (i) asset quality; (ii) accuracy of carrying values of banks' assets; (iii) derivative pricing model review; (iv) accounting practices, processes and policies; and (v) capital position.

The services shall be provided in English, which is the working language of the European Central Bank. The services shall be performed mainly at the ECB's premises in Frankfurt-on-Main in Germany, but might also have to be performed at the locations of the NCAs, or at the premises of the entities under the direct SSM supervision (the 'Banks'), which may be located either in or outside the Member States of the European Union.
