TCCG Written Procedures and Information items: Automated Workflow

TARGET Consolidation
Contact Group (TCCG)

14 December 2021

ECB-UNRESTRICTED
UPDATABLE

DG Market Infrastructure and Payments
T2-T2S Consolidation

Introduction

Background

- **TCCG members from CBs** were asked to request access to a newly created DARWIN group in order to be recipients of automated written procedures and information items.
- The rest of the TCCG members were not asked to request access as there is a proper ASTRA group already in place.

Purpose

- The purpose of the tool is to simplify and accelerate the launch of communications while also standardizing their content and appearance.

What is changing for you?

- The usual TCCG Written Procedures, Information Items and submission folders remain as usual.
- TCCG members will receive emails as illustrated in the next slide.

Note on shared mailboxes

ECB-UNRESTRICTED

- Shared mailboxes will not receive written procedures or information items anymore as they cannot be added in DARWIN-ASTRA groups.
- The reason for this is that a security issue might arise as shared accounts do not disclose who is behind them. Only nominal users can be added in such groups.

Way forward

- The automated Written Procedures and Information Items tool will be fully operative from the beginning of 2022.
- **A kind reminder to Central Banks that have not yet requested the relevant role through ESCB IAM to please request it as soon as possible.**

Thank you for your attention!
