Dear Mr Cipollone,

Please find attached a letter from the Executive Members of the German Banking Industry Committee (GBIC) to you regarding the way forward for the possible introduction of a Digital Euro.

The German Banking Industry Committee (GBIC) is the voice of the leading German banking-sector associations. These are the National Association of German Cooperative Banks (BVR), the Association of German Banks (BdB), the Association of German Public Banks (VÖB), the German Savings Banks Association (DSGV), and the Association of German Pfandbrief Banks (vdp). This year, BVR is chairing the GBIC and thus responsible for the preparation of common appointments.

Yours sincerely,  
on behalf of the German Banking Industry Committee
