### Questions & Answers

#### No. 02

Please find below the ECB's answers to the questions<sup>1</sup> submitted to date, which the ECB considers to be of general interest. These are communicated by the ECB to all the companies that have been invited to submit a tender.

Question	Answer
1. We would like to include our 2020 turnover to the response form. Will this information be relevant to the consideration or rather have negative effects on the expression of interest?	<p>1. Please note that in line with the Call to express interest, Section 3, point 4.2 "<i>The interested parties' economic and financial capacity will be assessed on the basis of their financial situation during the last three financial years (2017 - 2019)</i>".</p> <p>You must therefore include the turnover for 2017, 2018 and 2019 in your response in order to be evaluated.</p> <p>If you decide to include your 2020 turnover as well, please note that this will not be relevant and it will be not taken into consideration for evaluation purposes.</p>
2. We would like to add additional documents including our training	2. You may add additional documents to your application. There is no specific format requirement.

<p>portfolio and further references to the application. Is there any specific format that we have to follow? Are there any document types or contents which we are not allowed to include and that would foreclose us from the tender?</p>	<p>Please ensure that you fill in and provide all documents/information as requested in the call to express interest. These will be used for evaluation purposes.</p>
