Candidates from states who are parties to the GPA are invited to participate under the same conditions as candidates from EU Member States.

II.1.8) **Division into lots:**

No.

II.1.9) **Variants will be accepted:**

No.

II.2) **Quantity or scope of the contract**

II.2.1) **Total quantity or scope:**

The ECB is seeking companies supplying software licences for the CAFM system and implementing/deploying (including development of interfaces to the related systems such as SAP and LiveLink from OpenText) together with maintaining, supporting (both operationally and functionally) and upgrading the system. The system will be used in the NEP and other premises owned or leased by the ECB.
A comprehensive fully-licenced CAFM system should support 81 facility management processes, which are part of the following groups:
— overall facility management processes,
— commercial facility management processes,
— infrastructural facility management processes,
— security facility management processes,
— technical facility management processes.
The successful tenderer shall provide the following:
— a detailed solution design in cooperation with ECB staff and their representatives,
— to configure, implement and test the final solution including any required interfaces to other IT systems required to supply the full support for 81 processes,
— full system documentation including that for any interfaces implemented to other systems,
— full training to both system administrators and users,
— support (both operationally and functionally), maintenance and warranty services, including consultancy services and upgrades for their programme following the successful go-live of the system. The completed working user-accepted system will be required in August 2012.

The approximate volume of service is estimated according to the approximate building area of 185 000 m² that, amongst other items, will include some 2 300 workplaces.

II.2.2) **Options:**
Yes.
The tenderer is requested to provide operational services, these services are optional and will consist of routine system maintenance including but not limited to:
— day-to-day operations, e.g. shutdown of specified databases and application jobs, etc.,
— monitoring systems environment,
— system back-up and restore,
— database maintenance,
— migration support, e.g. assist in the migration of applications,
— document operations procedure,
— perform scheduled tasks by following run-sheets closely,
— perform support to troubleshooting and handling of requests for end users.

II.3) **Duration of the contract or time limit for completion:**
Duration in months: up to 144 months (from the award of the contract).

Section III: Legal, economic, financial and technical information

III.1) **Conditions relating to the contract**

III.1.2) **Main financing conditions and payment arrangements and/or reference to the relevant provisions regulating them:**
Details will be provided in the invitation to tender (ITT), where applicable, which will be sent to the shortlisted candidates.

III.1.3) **Legal form to be taken by the grouping of economic operators to whom the contract is to be awarded:**
Candidates may establish groupings with a view to jointly obtaining a contract. No specific legal form is required but the grouping members will have joint and several liability for performance of the contract. The grouping must, in principle, remain unchanged from the start of the tender procedure until completion of the works.
If unforeseen circumstances require a change in the composition of a grouping, the ECB may allow such change at its own discretion provided that the change does not distort competition amongst the candidates.

III.1.4) **Other particular conditions to which the performance of the contract is subject:**
No.

III.2) **Conditions for participation**

III.2.1) **Personal situation of economic operators, including requirements relating to enrolment on professional or trade registers:**
Information and formalities necessary for evaluating if requirements are met:
In line with Article 24 of the ECB procurement rules (see point VI.3 below) the following shall apply:
The ECB shall exclude candidates from participation in a tender procedure if they have been the subject of a judgement which has the force of 'res judicata' for fraud, corruption, money laundering, involvement in a criminal organisation or any other illegal activity detrimental to the financial interests of the Union, of the ECB or of the NCBs.
The ECB may exclude candidates from participation at any time if:
(a) they are bankrupt or being wound up, have entered into an arrangement with creditors, have suspended business activities, are the subject of proceedings concerning these matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations;

(b) they have been convicted of an offence concerning their professional conduct by a judgment which has the force of 'res judicata';

(c) they have been guilty of grave professional misconduct;

(d) they have not fulfilled obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which they reside or with those of the country of the contracting authority or those of the country where the contract is to be performed;

(e) they have been declared by a court or an arbitration tribunal to be in serious breach of contract for failure to comply with their contractual obligations following another tender procedure;

(f) their management, staff or agents are subject to a conflict of interest;

(g) they are guilty of serious misrepresentation in supplying the information required by the ECB;

(h) they contact other candidates or tenderers with the purpose of restraining competition.

Candidates must certify that they are not in any of the situations listed above by signing the application form and providing the evidence specified therein. Each member of a grouping must comply with these conditions. If such circumstances arise in the course of the procedure the candidate concerned shall inform the ECB thereof without undue delay.

The completed application form must be returned in paper copy format and signed by the date indicated in IV.3.4 below.

III.2.2) Economic and financial capacity:
Information and formalities necessary for evaluating if requirements are met:
The signed application form, which specifies the total net turnover in the last 3 financial years.
Minimum level(s) of standards possibly required:
Financial capacity: accumulated total net turnover of at least 2 400 000 EUR in the financial years 2007, 2008 and 2009.
Temporary groupings may add the turnover of the grouping members.

III.2.3) Technical capacity:
Information and formalities necessary for evaluating if requirements are met:
The signed application form with the documentation requested in it.

III.2.4) Reserved contracts:
No.

III.3) Conditions specific to services contracts

III.3.1) Execution of the service is reserved to a particular profession:
No.

III.3.2) Legal persons should indicate the names and professional qualifications of the staff responsible for the execution of the service:
Yes.
Details will be provided in the invitation to tender (ITT), where applicable, which will be sent to the shortlisted candidates.

Section IV: Procedure

IV.1) Type of procedure

IV.1.1) Type of procedure:
Negotiated.
Candidates have already been selected: no.

IV.1.2) **Limitations on the number of operators who will be invited to tender or to participate:**
Envisaged number of operators: minimum number: 3, maximum number: 6.
Objective criteria for choosing the limited number of candidates:
Technical selection criteria (qualitative 1–5); weight:
total number of staff; 2,5 %,
number of staff from the above total working on CAFM related tasks; 2,5 %,
English speaking staff experienced in (i) consulting, solution design and implementation, (ii) maintaining and supporting CAFM and/or (iii) providing CAFM training; 10 %,
details of quality assurance system in place; 5%,
accreditation/membership of facility management association or equivalent professional body; 5 %,

numbers of productive user licences (without self-service desk); 5 %,
implementation of comparable projects completed in the public sector including European and international institutions over the last 3 years; 15 %,
experience in designing and implementing interfaces; 12 %.

Scoring system:
The above described selection criteria shall be assessed one by one and evaluated on the basis of a scoring system from 0 to 5 points as follows:
Score; definition:
0 point; no evidence/total failure: the tender totally fails to address the criterion under examination or cannot be assessed due to missing evidence,
1 point; very poor: the criterion under examination is addressed in an incomplete and unsatisfactory manner; serious concerns,
2 points; poor: the criterion under examination is partly addressed but with a few major gaps or issues,
3 points; fair: the criterion under examination is generally addressed with minor issues,
4 points; good: the criterion under examination is fully addressed,
5 points; excellent: the criterion under examination is fully addressed and the tender offers some added value.
The ECB shall evaluate the above criteria using a scoring system with a maximum of 100 points.
The evaluation will solely be based on the application including its attachments.

IV.1.3) **Reduction of the number of operators during the negotiation or dialogue:**
Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated: yes.
Following the evaluation of the written tenders the ECB may invite tenderers for a presentation and negotiations. The negotiations may be carried out as consecutive negotiations in the order of the tenderers’ ranking or as parallel negotiations with several tenderers who best meet the award criteria.

IV.2) **Award criteria**

IV.2.1) **Award criteria:**
The most economically advantageous tender in terms of the criteria stated in the specifications, in the invitation to tender or to negotiate or in the descriptive document.
1. Price. Weighting: 40 %.
2. Quality. Weighting: 55 %.
3. Contract conditions. Weighting: 5 %.

IV.2.2) **An electronic auction will be used:**
No.

IV.3) **Administrative information**

IV.3.1) **File reference number attributed by the contracting authority:**
14779/IS/ENS/2010 — supply, implement and maintain IT software to support NEP FM.

IV.3.2) **Previous publication(s) concerning the same contract:**
No.

IV.3.3) **Conditions for obtaining specifications and additional documents or descriptive document:**
The ECB application form and the call for applications specifying the procedural rules to be observed by all candidates can be downloaded from the following Internet site: [http://www.ecb.europa.eu/ecb/jobsproc/archive/html/nep_cafm.en.html](http://www.ecb.europa.eu/ecb/jobsproc/archive/html/nep_cafm.en.html)
Suppliers who intend to submit a tender are required to, promptly after downloading the ECB call for applications and the application form from the above Internet site, provide the ECB (at procurement@ecb.europa.eu) with a valid contact e-mail address. This shall be used by the ECB to keep all interested parties aware of potential further communications on this tender that the ECB may need to disclose until the deadline for the submission of tenders.
In addition, such potential further communications will also be published on the aforementioned Internet site.
It is foreseen that, after choosing the limited number of candidates that will be invited to submit a tender, the tender documentation will also be published on an Internet site. Such documentation will include the detailed requirements, procedural rules and contractual terms and conditions.
Payable documents: no.

IV.3.4) **Time limit for receipt of tenders or requests to participate:**
15.11.2010 (17:00), CET.

IV.3.6) **Language(s) in which tenders or requests to participate may be drawn up:**
English.
Applications shall be submitted in English. Information on reference projects and relating information may be submitted in English. External supporting documents, for example, company registrations and certificates may be submitted in their original language. The ECB may request the candidate to provide a certified translation.

IV.3.7) **Minimum time-frame during which the tenderer must maintain the tender:**
Duration in months: 6 (from the date stated for receipt of tender).

IV.3.8) **Conditions for opening tenders:**
Place: at the address in I.1 above.
Persons authorised to be present at the opening of tenders: yes.
Members of staff of the ECB only.

Section VI: **Complementary information**

VI.1) **This is a recurrent procurement:**
