Internet address(es): General address of the contracting authority: http://www.ecb.europa.eu

Further information can be obtained at:
As in abovementioned contact point(s).

Specifications and additional documents (including documents for competitive dialogue and a dynamic purchasing system) can be obtained at:
As in abovementioned contact point(s).

Tenders or requests to participate must be sent to:
As in abovementioned contact point(s).

I.2) Type of the contracting authority and main activity or activities:
European institution/agency or international organisation.
The contracting authority is purchasing on behalf of other contracting authorities: no.

Section II: Object of the contract

II.1) Description

II.1.1) Title attributed to the contract by the contracting authority:
IS consultancy and services framework.

II.1.2) Type of contract and location of works, place of delivery or of performance:
Services.
Service category: No 7.
Main place of performance: ECB, Frankfurt-on-Main, National Central Banks of the ESCB.
NUTS code: DE712.

II.1.3) The notice involves:
The establishment of a framework agreement.

II.1.4) Information on framework agreement:
Framework agreement with several operators.
Maximum number of participants to the framework agreement envisaged: for lot 1, a framework agreement with up to 5 operators is envisaged.
See information about lots in Section II.1.5.
Framework agreement with a single operator.
For lot 2, a framework agreement with only 1 operator is envisaged.
See information about lots in Section II.1.5.
Duration of the framework agreement: Duration in year(s):
Lot 1: 4 years, with the possibility to extend for up to 4 additional years.

Justification for a framework agreement the duration of which exceeds 4 years:
A longer than 4 years duration is needed in order to properly exploit the strategic benefits which have been established by ECB for these tenders, taking into account the service lifecycle of the services and works to be procured under these frameworks.

Lot 2: 4 years.

II.1.5) **Short description of the contract or purchase(s):**
The contracts resulting from this tender procedure will enable the ECB to source IT activities across the services lifecycle of IT infrastructure and applications services. This includes also management consultancy, strategic and process development services.

With the IS consultancy and services framework, the ECB intends to improve project delivery and post go-live operations for IT infrastructure and applications, as well as increase the efficiency and flexibility to resource a large number of its IT activities.

The framework contractors shall provide consultancy services and works in the following areas:
— IT infrastructure management consultancy and delivery services, including development, system integration, operations and support,
— application management consultancy and delivery services. These include application development, maintenance and support, based on open frameworks (e.g. Java), product based platforms (e.g. SAP), and/or specialised technical markets (e.g. security, document management),
— IT management consultancy, strategic, technology and process development services. These include: IT governance, IT service management, quality management, and technical aspects of tenders and procurement procedures.

The whole scope of services is divided into 2 lots:
lot 1: services and works for applications and IT infrastructure (in part or full): design, build, operate, support and maintain;
lot 2: IS management consultancy, tender/call-off preparation, studies (benchmarking) to support organisational, strategic and process development.

II.1.6) **Common procurement vocabulary (CPV):**
72000000.

II.1.7) **Contract covered by the Government Procurement Agreement (GPA):**
Yes.

II.1.8) **Division into lots:**
Yes.

Tenders should be submitted for: 1 or more lots.

II.2) **Quantity or scope of the contract**

II.2.1) **Total quantity or scope:**
Depending on the needs across the contract life, the total number of person-days per year in the past years may have reached an amount in the area of 12 000. A rough indicative distribution across the lot, based on the use made in the last years, is:
— lot 1: up to 10 000 person-days,
— lot 2: up to 2 000 person-days.

The above figures are purely indicative and mean no commitment at all from the ECB side in respect of the size of the contracts for the years to come.

II.2.2) **Options:**
No.

II.3) **Duration of the contract or time limit for completion:**
Duration in months: for lot 1: 48 initial term, with the possibility of extending for up to another 48 months. For lot 2: 48 months.
