Minimum capacity levels:
Candidates must meet the following minimum requirements:
— have an environmental policy and certification.
As proof, candidates shall submit a copy of their environmental policy and relevant environmental certification(s) to state their own functional environmental management system, such as ISO 14001, EMAS or equivalent. In the case of a temporary grouping, the above requirement is mandatory only for the candidate providing the services described in work package 1. The provider for work package 2 shall only submit a copy of their environmental policy.
Website screenshots and links to such references are considered acceptable, provided they are in English and legible (i.e. in high resolution),
— have an environmental report or comparable publications (e.g. web page).

As proof, candidates shall submit a copy of their latest environmental report or comparable publication, (e.g. section in the annual report describing involvement in environmentally related activities and/or performance), or website screenshots and links. Website screenshots and links to such references are considered acceptable, provided they are in English and legible (i.e. in high resolution),
— have at least 2 similar agreements (contracts) managing and delivering EMS certification and communication for a client and performed during the last 3 financial years (2011–2013), which are comparable in terms of scope, size and complexity with the contract and work packages tendered by the ECB. In the case of a temporary grouping, separate references for each of the 2 work packages shall be provided.

As proof, candidates shall provide the descriptions of the contracts and their achievements by completing and signing the handwritten, by an authorised representative(s), Annex 1.1 to the call for applications form,
— have at least 3 qualified employees, with at least 1 experienced project manager and 2 experienced staff members — who each have a minimum of 5 years of experience working on similar projects in the field of environmental management and related environmental reporting (e.g. GHG protocol, GRI, carbon disclosure project etc.) — in relation to work package 1, as well as experience in the field of environmental communication and employee engagement — as required for work package 2. All dedicated staff shall be proficient in spoken and written English and German (e.g. minimum C1 equivalent in the ‘Common European Framework of Reference for Languages’).

As proof, candidates shall complete and sign the handwritten, by an authorised representative(s), self declaration, Annex 1.2 to the call for applications form.

Candidates who fail to meet all of the minimum requirements requested under Section III.2.2 and Section III.2.3 and/or who fail to provide the requested proof including the information requested in the annexes to the call for application for each of the aforementioned criteria will be automatically eliminated and not admitted to the next stage of the procedure.
