I.2) Type of the contracting authority and main activity or activities:
European institution/agency or international organisation.
Economic and financial affairs.
The contracting authority is purchasing on behalf of other contracting authorities: no.

Section II: Object of the contract
II.1) Description
II.1.1) Title attributed to the contract by the contracting authority:
Provision of travel services and handling of travel expenses.

II.1.2) Type of contract and location of works, place of delivery or of performance:
Services.
Service category: No 27.
Main place of performance: ECB, Frankfurt-on-Main, GERMANY.
NUTS code: DE712.

II.1.3) The notice involves:
A public contract.

II.1.5) Short description of the contract or purchase(s):
It is the intention of the ECB to appoint 1 or 2 suitable suppliers for the provision of:
(i) travel services; and
(ii) handling of travel expenses.
Candidates are allowed to bid for 1 lot or for both lots. Each lot will be evaluated separately.
Lot 1: travel services:
'Travel services' to include offline and online bookings for air, rail, car rental and hotels, based on a transaction fee model and a specific online booking engine Cytric. ECB has approximately 1 500 travellers in Frankfurt and over 11 000 transactions are booked each year. Travel spend is approximately 6 200 000 EUR.

Optional services:
The ECB may optionally ask for, and the successful tenderer must be prepared to provide the ECB with, an implant solution for the handling of travel expenses. The staff for the implant solution shall be supplied in accordance with the requirements laid down in the German Act concerning the supply of temporary labour ('Arbeitnehmerüberlassungsgesetz (AÜG)').
The implant solution shall be able to handle up to approximately 6 500 travel expense claims per year, which are manually validated against the SAP system and receipts scanned. It shall further be able to handle up to approximately 2 000 general expense claims which are only scanned. Handling needs to be possible alone or in coordination with an outsourced provider. The operation is currently working like an implant at ECB premises and has a staff of 3, most with an accounting background.

Lot 2: handling of travel expenses:
Providing the ECB with an outsourced solution for the handling of travel expenses.
Some 6 500 travel expense claims per year are manually validated against the SAP system and receipts scanned. Another 2 000 general expense claims are only scanned. The operation is currently working like an implant at ECB premises and has a staff of 3, most with an accounting background.

II.1.6) **Common procurement vocabulary (CPV):**
