Please find below the ECB's answers to the questions¹ submitted to date, which the ECB considers to be of general interest.

Nr	Question	Answer
1.	Annex 1 § 2.3 temporary groupings: If we would decide to cooperate with a partner and mark the question with an “x” for yes, do we have to publish the name of the partner and the address now, or could this (address...) being done on a later stage e.g. a contract?	As stated in Chapter V, section 1.2 of the Call for Expression of Interest “Temporary groupings shall remain unchanged throughout the actual tender procedure.” Therefore, should an Interested Party wish to establish a temporary grouping with another entity this fact has to be indicated already at this stage of the process disclosing all the details on the temporary grouping partner.
