Question	Answer
1. In the Call to express interest for participation under section 3, point 4.2 you refer to an accumulated net turnover of 500,000 EUR. However in Annex 2 Response Form section 3.1 you refer to 200,000 EUR. Please confirm which is the correct turnover amount.	1. The accumulated total net turnover of the interested party must be, for the last three financial years, at least 500,000 EUR.  We have updated Annex 2 Response Form to reflect this and bring it in line with the Call to express interest for participation document. The change is marked in yellow and the document has been published on ECB's procurement website.
