DECISION (EU) [2020/XX*] OF THE EUROPEAN CENTRAL BANK
of 5 May 2020
adopting implementing rules concerning
data protection at the European Central Bank and repealing Decision ECB/2007/1
(ECB/2020/28)

THE EXECUTIVE BOARD OF THE EUROPEAN CENTRAL BANK,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to the Statute of the European System of Central Banks and of the European Central
Bank, and in particular to Article 11.6 thereof,

Having regard to Regulation (EU) No 2018/1725 of the European Parliament and of the Council of
23 October 2018 on the protection of natural persons with regard to the processing of personal data by the
Union institutions, bodies, offices and agencies and on the free movement of such data, and repealing
Regulation (EC) No 45/2001 and Decision No 1247/2002/EC¹, and in particular Article 45(3) thereof,

Whereas:

(1) Regulation (EU) 2016/679 of the European Parliament and of the Council² sets out general rules to
protect natural persons with regard to the processing of personal data and to ensure the free
movement of personal data within the Union.

of the Council³ and sets out the data protection principles and rules applicable to all Union
institutions, bodies, offices and agencies.

(3) In order to ensure a consistent approach to personal data protection throughout the Union and free
movement of personal data within the Union, it is necessary to align as far as possible the data
protection rules applicable to Union institutions and bodies with the data protection rules adopted

¹ This number will be allocated by the Publications Office of the European Union when the Decision is published in the
Official Journal.

² Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of
natural persons with regard to the processing of personal data and on the free movement of such data, and

³ Regulation (EC) No 45/2001 of the European Parliament and the Council of 18 December 2000 on the protection of
individuals with regard to the processing of personal data by the Community institutions and bodies and on the free
movement of such data (OJ L 8, 12.1.2001, p. 1).
for the public sector in the Member States. Whenever the provisions of Regulation (EU) 2018/1725 follow the same principles as the provisions of Regulation (EU) 2016/679, those two sets of provisions should be interpreted homogenously, in particular because the scheme of Regulation (EU) 2018/1725 should be understood as equivalent to Regulation (EU) 2016/679.

(4) Article 43 of Regulation (EU) 2018/1725 requires each Union institution or body to designate a data protection officer. Pursuant to Article 45(3) of Regulation (EU) 2018/1725, each Union institution or body must adopt further implementing rules concerning the data protection officer. The implementing rules must in particular concern the tasks, duties and powers of the data protection officer.

(5) For reasons of efficiency and in line with past practice, the data protection officer of the European Central Bank (ECB) may be authorised to also cover data protection issues in relation to the European Systemic Risk Board (ESRB) if the ESRB’s General Board decides to appoint the ECB’s data protection officer as the ESRB’s data protection officer.

(6) The implementing rules should also set out how data subjects may exercise their rights and how persons responsible for the processing of personal data should fulfil their duties within Union institutions and bodies.

(7) Whilst the ECB is the legal entity responsible for the protection of natural persons with regard to the processing of personal data under both Regulation (EU) 2018/1725 and this Decision, the processing operations may in practice be carried out by different organisational units within the ECB.

(8) Regulation (EU) 2018/1725 prescribes what remedies are available to a data subject for complaints concerning data protection against a Union institution, including the right to lodge a complaint with the European Data Protection Supervisor as laid down in Articles 63 and 68 of that regulation. Accordingly ECB staff members should rely on these remedies for complaints made by them as data subjects concerning data protection after the date of application of this Decision rather than remedies contemplated in the Conditions of Employment for Staff of the European Central Bank.

(9) The ECB intends to separately provide for restrictions concerning specific principles, rights and obligations concerning data protection in certain well defined circumstances as contemplated by Article 25 of Regulation (EU) 2018/1725 and therefore the date of application of this Decision should be 1 November 2020 to enable those restrictions to be separately provided for.

(10) Given the repeal of Regulation (EC) No 45/2001 by Regulation (EU) 2018/1725, Decision ECB/2007/1⁴ should be repealed and replaced by this Decision.

HAS ADOPTED THIS DECISION:
