

REGULATION (EC) No 1053/2008 OF THE EUROPEAN CENTRAL BANK
of 23 October 2008
on temporary changes to the rules relating to eligibility of collateral
(ECB/2008/11)

THE GOVERNING COUNCIL OF THE EUROPEAN CENTRAL BANK,

Having regard to the Treaty establishing the European Community and in particular to the first indent of Article 105(2) and to Article 110 thereof,

Having regard to the Statute of the European System of Central Banks and of the European Central Bank and in particular to the first indent of Article 34.1, in conjunction with the first indent of Article 3.1 and Article 18.2 thereof,

Whereas:

- (1) To enhance on a temporary basis the provision of liquidity to counterparties for Eurosystem monetary policy operations, the criteria determining the eligibility of collateral that counterparties for Eurosystem monetary policy operations provide to the Eurosystem to obtain liquidity should be widened. The criteria determining the eligibility of collateral are laid down in Guideline ECB/2000/7 of 31 August 2000 on monetary policy instruments and procedures of the Eurosystem ⁽¹⁾.
- (2) The Governing Council of the European Central Bank (ECB) decided on 15 October 2008 to widen temporarily the rules relating to the eligibility of collateral for the operations of the Eurosystem. The Governing Council furthermore decided that the date of entry into force of its decision as well as any further measures regarding such widened eligibility criteria would be communicated as soon as possible.
- (3) In order to implement the above mentioned decision in a manner which allows its immediate application, recourse has to be made to a regulation, which does not require further executing measures by the national central banks of the Member States that have adopted the euro (hereinafter the NCBs). This Regulation is to be in force for a limited period of time and will be replaced by an ECB Guideline,
