Check the
euro banknotes!

1 FEEL

Raised print
Some parts of the banknote feel thicker.

Feel of the paper
The paper feels crisp and firm.

2 LOOK

Watermark
A faint image of a window/doorway and the value appear.

Security thread
A dark line appears.

3 TILT

Colour-changing number
On the banknotes worth €50 or more, the number on the back of the banknote changes colour from purple to olive green or brown.

Hologram
The value and a "€" or a window/doorway appear.
