Update on the ACI Operations Certificate

By Andreas Gaus
Credit Suisse Managing Director
Board Member of ACI Suisse and ACI International

Update for the ECB Operations Managers Group, February 2009
Agenda

- ACI Overview
- ACI Education Activities
- The New ACI Operations Certificate
Founded in France in 1955 following an agreement between foreign exchange dealers in Paris and London

Now affiliated financial markets associations in 65 countries and individual members in another 17 countries

Largest membership of any of the international associations in the wholesale financial markets

Head Office based in Paris
ACI Education Activities (1/5)
Overview

- ACI offers the only specialised suite of electronically delivered professional examinations, tailored to the financial markets, on a global basis.

- Training courses are provided by a wide range of external training companies.

- Examinations are open to both members and non-members of ACI.
ACI Education Activities (2/5)
The People managing it
ACI Education Activities (3/5)

- Dealing Certificate
- Operations Certificate
- Foundations of Financial Markets
- Master/MBA
- New Courses
- Think Tank & Research Body
- With local components (comply with local requirements)
- With corporate component (customisation)
- With linkage to ACI membership
The New ACI Operations Certificate (1/4)
Business Case

The existing ACI Settlement Certificate was approximately 7 years in place and was never systematically improved to reflect the changing market practice and landscape.
The New ACI Operations Certificate (2/4)
Opportunity Statement

- Meet ACI quality standards and high expectations from ACI members
- Avoid reputational risk and ensure self-regulation
- Think along the whole process chain (front to end)
- Bring the trading community closer together with staff from operations
- Increase the number of potential candidates (e.g. risk management, compliance, product control and IT-people)
The New ACI Operations Certificate (3/4)  
Characteristics

- Reflects today’s best market practice
- Incorporates the whole process chain from front to end.
- Quality and actuality is ensured by ACI market professionals and the academic support by the Frankfurt School of Finance and Management
The New ACI Operations Certificate
