National governance of retail payments LV

1	What is the name of the governance organisation in your country that deals with payments issues and could be considered as "the national payments council"?
	Name: Payment Committee of the Association of Commercial Banks of Latvia
	URL of website: http://lka.org.lv/en/about_us/commitees.html
	More English information on national governance arrangements (please add URL or document):

	Other (please provide additional information):
3	What is the organisation's relationship to the national SEPA committee and its role in SEPA
	migration?
	☐ It is the same organisation: the national SEPA committee has – or will soon have - a much
	wider mandate than only SCT and SDD migration (objectives as ticked under question 2)
	☐ The national SEPA Committee is a (temporary) sub-structure of the governance organisation
	☐ Both organisations are independent, but coordinate work via the following channels/links:
	$oxed{oxed}$ Other (please provide additional information): After the Euro project in Latvia was completed,
	the Ministry of Finance took a decision to cease the work of the National SEPA Working Group.
	The role of National Payments Committee was informally overtaken by the Payment Committee of
	the Latvian Association of Commercial Banks. Depending on the agenda, Latvijas Banka, State
	Treasury or Ministry of Finance (representing Public Authorities), Financial Capital and Markets

	Commission (supervisory authority), merchant associations and Consumer Rights Protection Centre and other may be invited to participate in the Committee meetings.
4	The organisation was established as/by
	Organisation under auspices of the national central bank
	☐ Organisation under auspices of the national banking association(s) or financial industry
