- Please **add** to the table **only issues where you consider that a follow-up is necessary**, i.e. no general statements like “We welcome the regulation.”
- All comments should be **separated per issue** concerned so that a thematic sorting can be easily applied later on (i.e. one row for each issue).
- If needed, replicate page 2 for the provision of further comments.

The assessment form consists the four items which are suggested to be filled as follows:
