Market feedback reflected in engagement plan for Pontes and Appia

Public-private partnership — a two-way engagement across the whole ecosystem, public and private, inviting broad market participation

Multiple engagement channels

- Appia Contact Group: launch to cover both Pontes & Appia: composition being finalised, first meeting in September. All meeting documents will be published on the ECB website
- Thematic engagement: dedicated standardisation group, deep-dives and workshops
- Invitation to share ideas, POCs, use case proposals to support Pontes and Appia

Regular communication and transparency through ECB and NCB channels, with clear feedback loops
