GUIDELINE (EU) 2024/[XX] OF THE EUROPEAN CENTRAL BANK
of 30 July 2024
amending Guideline (EU) 2022/912 on a new-generation Trans-European Automated Real-time Gross Settlement Express Transfer system (TARGET) (ECB/2022/8)
(ECB/2024/20)

THE GOVERNING COUNCIL OF THE EUROPEAN CENTRAL BANK,

Having regard to the Treaty on the Functioning of the European Union, and in particular the first and fourth indents of Article 127(2) thereof,

Having regard to the Statute of the European System of Central Banks and of the European Central Bank, and in particular Article 3.1 and Articles 17, 18 and 22 thereof,

Whereas:

(1) The Governing Council carried out a review of the remuneration applied to the deposits held with national central banks of Member States whose currency is the euro (hereinafter ‘NCBs’) and the European Central Bank (ECB) that are not related to the implementation of monetary policy (‘non-monetary policy deposits’). The aim of the review was to avoid potential interference of such deposits with the single monetary policy, while ensuring compliance with the principle of an open market economy and consistency in the treatment of similar deposits within the Eurosystem.

(2) Following the review, the Governing Council adopted Decision (EU) 2024/1209 of the European Central Bank (ECB/2024/11) on 16 April 2024 as a single legal act containing provisions on the remuneration of non-monetary policy deposits in order to enhance transparency and consistency.

(3) Consequently, certain provisions on remuneration set out in Guideline (EU) 2022/912 of the European Central Bank (ECB/2022/8) should be replaced by references to the relevant provisions of Decision (EU) 2024/1209 (ECB/2024/11).

(4) It is also necessary to clarify certain other aspects of, and to update, Guideline (EU) 2022/912 (ECB/2022/8) as well as to introduce certain editorial revisions.

(5) Given that Decision (EU) 2024/1209 (ECB/2024/11) will apply from 1 December 2024, the provisions of this Guideline should apply from the same date, to ensure legal certainty.

HAS ADOPTED THIS GUIDELINE:

(b) Appendix II is amended as follows:

(i) in paragraph 2 (Conditions for compensation offers), point (a) is replaced by the following:

‘(a) A payer may submit a claim for an administration fee and interest compensation if, due to a technical malfunction of TARGET:

(i) a cash transfer order (including to the deposit facility, or to the one or more MCAs or DCAs belonging to that participant and marked for the purpose of fulfilling its minimum reserve requirements) was not settled on the business day on which it was accepted or could not be submitted; and

(ii) the participant has attempted to make use of, if applicable, the contingency processing measures as described in Appendix IV, including requesting support from [insert name of CB].’;
(ii) in paragraph 3 (Calculation of compensation), in point (a), point (ii) is replaced by the following:

The reference rate shall be applied to:

(1) the amount of the cash transfer order, except for the cash transfer orders referred to in point (2), not settled as a result of the technical malfunction of TARGET for each day of the malfunction in the period from the date of the actual submission of the cash transfer order or from the date of the attempted submission of the cash transfer order until the date on which the cash transfer order was or could have been successfully settled;

Any interest or charges resulting from the placing of any non-settled cash transfer orders on deposit with the Eurosystem shall be deducted from, or charged to, the amount of any compensation, as the case may be.’;

(iii) in paragraph 3 (Calculation of compensation), in point (b), point (ii) is replaced by the following:

(ii) the method set out in point (a)(ii)(1) for calculating interest compensation shall apply except that interest compensation shall be payable at a rate equal to the difference between the marginal lending facility rate and the reference rate, and shall be calculated on the amount of any recourse to the marginal lending facility occurring as a result of the technical malfunction of TARGET.’;

(iv) in paragraph 4 (Procedural rules), points (b), (c) and (d) are replaced by the following:

‘(b) Within 4 weeks of a technical malfunction of TARGET, participants shall submit their claim forms to the [insert name of CB]. Any additional information and evidence requested by the [insert name of CB] shall be supplied within 2 weeks of such request being made.

(c) The [insert name of CB] shall review the claims and forward them to the ECB. Unless otherwise decided by the ECB’s Governing Council and communicated to the participants, all received claims shall be assessed no later than 14 weeks after the technical malfunction of TARGET occurs unless the claim relates to cash transfer orders to the one or more MCAs or DCAs belonging to that participant and marked for the purpose of fulfilling minimum reserve requirements as referred to in paragraph 2, point (a), in which case the received claims shall be assessed no later than 14 weeks after the end of the reserve maintenance period during which the technical malfunction of TARGET occurred.

(d) The [insert name of CB] shall communicate the result of the assessment referred to in point (c) to the relevant participants. If the assessment entails a compensation offer, the participants concerned shall, within 4 weeks of the communication of such offer, either accept or reject it, in respect of each cash transfer order comprised within each claim, by signing a standard letter of
acceptance (in the form available on the website of the [insert name of CB] (see [insert reference to website of CB]). If such letter has not been received by the [insert name of CB] within 4 weeks, the participants concerned shall be deemed to have rejected the compensation offer.’
